Re: Tracey S. Bernstein's Motion to Withdraw as Counsel
Karimian v. Time Equities, Inc., et al.: 10 cv 3773 (AKH)

Dear Judge Francis:

I have received Mr. Bernstein's motion to withdraw as counsel. I object to his withdrawal. I wish to present my reasons for objecting in person or in writing as you prefer. As I did not see specific procedural guidelines in your Individual Rules with respect to this matter, I will check in with you late next week for any instructions that you wish for me to follow in presenting my reasons for objecting.

Sincerely,

Bijan Karimian

Plaintiff shall submit
any objections in
writing by April 8, 2011.
SO ORDERED.
